WHO WE ARE

Chipsy's Creative and Innovative team; are specialists in automating, simplifying, embedding, realising and centralising data to give you the confidence you demand. We're from diverse backgrounds and bring a range of business experiences and acquired knowledge. Our team is split between our offices in Udupi, Mangalore and US. You'll find us working with SME's that have heavy customer engagement, government and large corporations of different domains.

OUR MISSION

Chipsy Family - Team is Our Strengh. People are an integral part of our business and their happiness is of utmost importance. We promote open communication, involvement, empowerment, and recognition of excellence. We want to build Chipsy to the level that positively impacts the communities in which we reside. And make our staff proud to be with us. We believe in: "Happy Employees results in Happy Customers"

OUR VISION

To be the Global Leader in providing innovative IT solutions and be the trusted partner for all our customers.
